

Dear Charles Hay Parents and Students,

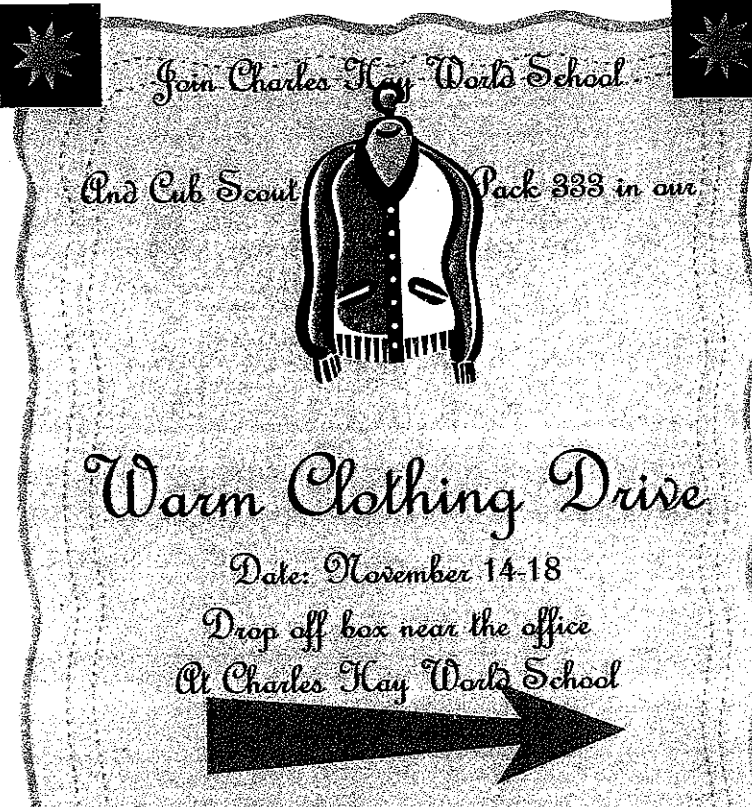

While many ducks have already begun flying south for the winter, we have come across a special breed of duck that has been left behind! These ducks have been orphaned and don't have a family to spend the holiday season with. Could you provide a loving and caring home for one of these precious creatures? We are pleased to announce that we will be having rubber duckie adoptions beginning Monday, November 14th. The adoption fees are \$5.00 per duck. (Please have exact cash or check ready, we won't be able to offer change!) After you have paid your adoption fee and filled out an application with an adoption specialist, you will be entered into our grand prize drawing for a wonderful home for your new little friend! We will notify you when your duck has been delivered and is ready for pick up! Remember every duckie is different and unique. Everyone will receive an adoption certificate and a thank you gift from the rubber duckie orphanage!

*Adoptions will take place on the Kindergarten playground at 3:00 pm on the following dates:

Monday, November 14th - Friday, November 18th

Proceeds from the duck adoption will be used to sponsor the 5th grade continuation celebration at the end of the year!
