WELCOME TO EPISODE III: REVENGE OF THE THIRD GRADERS!

Showing the Spirit of Endurance on our Continuing Journey

Can you tell that we have many Star Wars fans in Room 2? All 14 students from last year's class have returned, and we have been joined by four great additions to our classroom this year as we embark upon the sequel to last year's journey to another galaxy, far, far, away...

*Mr. Carlson with his nephew at the
Liberty Bell in Philadelphia, PA.
Ryder is a third grader, too!*

We are very excited to learn, laugh, teach, and enjoy the company of one another everyday. Our class has lofty goals for this school year, and we will accomplish them by all working together. This shows up on the poster outside our classroom, where we proudly display, "Every student in this class has turned in its homework for ___ days in a row!"

Please register for our class Wiki page so that you can receive weekly updates. You will also find class documents and a homework calendar to enhance accountability.

Thank you for helping us to maintain our relentless focus on learning as we embark on our mission to always embrace the light side of The Force!

Room 2 Wish List

Families asked at Back-to-School Night how they could contribute to our classroom supplies. It would be great if we could add the following to our classroom:

- National Geographic Kids (whole-class subscription would be ideal!)
- Books, books, books!
- Hand sanitizer
- Coffee mugs

Scholastic offers special deals to classroom teachers. If you are interested in donating to the purchase of a set of books from Scholastic, please see Mr. Carlson.

THANK YOU!
